

## **Privacy Policy**

The main purpose of our website is to provide information and services to individuals and to families. Your privacy is important to us and we are committed to protecting it and to making you aware of our online practices regarding the privacy of your information.

### **Information collected**

Our website does not automatically collect any individually identifiable information, such as email addresses from donors. We collect personal information when you provide it in the course of interacting with the site, information such as your name, address, e-mail address, telephone number, fax number, credit card information, or information about your interests and activities. If your personal information changes and you wish to update it (such as your address, please contact us.

### **How the information is used**

We may use the information you give us to provide services to you, at your request. We may use it to communicate with you through periodic messages regarding services, events, and other information and notices we believe you may find interesting or useful. We may use it for confirmation of donations, registrations, or other actions you take on our site, and for related customer service needs.

We do not sell, rent, swap or otherwise share our mailing lists, donor database or information collected at live events with external organizations. Any personal information you provide to [jfcsonline.org](http://jfcsonline.org) will not be disseminated to third parties outside of JFCS.

We may use information that is not personally identifiable to analyze the design and functioning of our site in order to make site improvements. We may use such information in the aggregate to analyze site usage. We will disclose personally identifiable information when required to do so by law.

If you would like to be removed from the JFCS mailing list or donor database, please send your request to [info@jfcsonline.org](mailto:info@jfcsonline.org)

### **Security**

Jfcsonline.org uses appropriate procedures to ensure the security of your personal information and to protect it from unauthorized access. In particular, when we ask you to enter credit card information, we use the top industry standard security protection, including encryption, SSL transmission connection, and a secure server for information storage. Once your credit card has been processed, your credit card information is not stored on our servers.
