

MISSION IMPOSSIBLE

The Story of Entebbe

We are proud to welcome Sasson "Sassy" Reuven as he recounts his firsthand report of the legendary Raid on Entebbe. Sassy was a member of the commando unit that took part in the rescue mission of 106 hijacked and kidnapped passengers in 1976. He has traveled internationally to share his story of courage and strength. Join us to hear his story at this community-wide cocktail party.
