

LET US GUIDE YOU WITH AN IN-HOME GERIATRIC CARE MANAGEMENT ASSESSMENT

What We Will Do To Help You & Your Family

A Certified Geriatric Care Manager from Jewish Family & Children's Service will visit older adults and/or their family members to talk about all needs and concerns. Our experienced and compassionate staff will advocate for your family with an impartial approach to help determine short and long term goals. We help older adults obtain their optimal level of well being — whether aging at home or transitioning to another level of care.

What The Geriatric Assessment Will Cover:

- Medical conditions, surgeries and medications
- Ability to perform the acts of daily living
- Physician information
- Support network and emergency information
- Legal documentation
- Potential depression, isolation and memory issues
- Health and prescription plans, insurance, preferred pharmacy and hospital
- Home safety documentation

We'll Connect You With Available Resources Including:

- In-home health care aides/companions
- Assisted or skilled living facilities
- Adult day programs
- Transportation
- Nutrition options
- Care management
- Rehabilitation services
- Counseling services
- Physicians
- Elder care attorneys
- Medication management
- Social resources
- Respite care
- Hospice care
- Volunteer services
- Nursing services
- Community resources

Geriatric Consultation Fees: Individual: \$225 / Couple: \$300
