

YOUR TEAM CAN HELP US FILL OUR FOOD PANTRIES...

**Do a SHOP & STOCK for a fun and
meaningful team-building event!**

We'll provide you with a fun, team-building activity that will help fill our pantries. Your group will join us at a local supermarket to shop for food and load the groceries onto the JFCS Mobile Food Pantry. You'll help those in need in the community where you work and live.

The JFCS Mobile Food Pantry and our on-site pantry provide healthy and nutritious food to more than 850 families each month. Last year, we helped more than 32,000 individuals across Mercer and Lower Bucks counties.
