WE CREATE **LIGHT**

The days get shorter, the temperatures drop, and we retreat inside for the season. Despite this growing sense of darkness, we find ourselves celebrating during this time of year. We are surrounded by messages and imagery of light with the many holidays observed this month, as well as the celebration of the coming new year often marked with fireworks and lights. **It feels especially poignant that during the darkest days, we choose to create light.**

It is no secret that our community and the world have gone through very difficult times in the past few years. We see that every day at JFCS when the groups we serve – seniors, the hungry, those battling mental health challenges — continue to work through the lasting impacts of a pandemic in an increasingly stressful world.

In a variety of ways, JFCS serves as the light for those in need...

- Our volunteers are bright, friendly faces to the clients they support.
- Our counselors guide clients to moments of enlightenment and understanding in their mental health journeys.
- Our seniors' days are brightened with reunions of their friends as we return to in-person programs.
- Our community is illuminated by the growing partnerships we forge to better serve individuals and families facing food insecurity.

In the following pages, we invite you to read more about these stories of light, but also remember that this report is always just a snapshot of our programs and accomplishments. We encourage you to follow us on our website (www.jfcsonline.org) and across social media (@JFCSMercer on Facebook, Instagram, YouTube, and LinkedIn) throughout the year to stay up to date on all agency happenings.

Just as our clients and program members search for the light, the JFCS Team aims to focus on the positive. This can feel increasingly difficult as our agency is working to grow and serve even more in the year ahead. Rising inflation is driving up the cost of keeping our food pantry stocked, the pandemic increased awareness and demand for mental health services while social workers remain difficult to find, and the needs of the growing aging population remain ever-changing.

JFCS feels fortunate to be surrounded by an incredibly generous community. To our team, you, our dedicated donors and supporters, help us see the light day after day.

We may appear to be pushing our appeals further and further, but the truth is the needs of our clients are increasing and we are being forced to stretch our resources. We ask you to continue to be our light at the end of a difficult year. We ask that you make a donation to ensure we can all move forward with bright hopes for the months ahead.

Thank you for your ongoing commitment to help, hope and healing with JFCS.

► Be the LIGHT, SUPPORTING NEIGHBORS in NEED

MARY KULLER JFCS Volunteer

How long have you volunteered with JFCS?

I have been helping at JFCS for over 7 years.

Which programs do you work with the most?

I work with JFCS' food programs including delivering Kosher Meals on Wheels, shopping for Healthy@Home and packing bags at the pantry.

What keeps you returning to JFCS year after year?

I enjoy working with the team at JFCS who have taught me a lot about food insecurity here in our midst. And I do so much enjoy getting to know the people in the community that I meet who are on the receiving end of agency services, their stories and personalities. That puts me on the receiving end as well! I truly enjoy feeling "useful" here in my own community.

What would you tell someone who is considering volunteering with JFCS?

Don't think, just DO! You will feel completely rewarded by it.

► LEADING to the LIGHT, COUNSELING JOURNEYS

In the summer of 2022, JFCS launched two in-person support groups — a Skills-Based Boot Camp and a Mindfulness group. Both groups were open to middle and high schoolers to help combat the growing needs of youth when it comes to mental healthcare. The groups were a success with 11 youth participating in a total of 18 sessions across both groups.

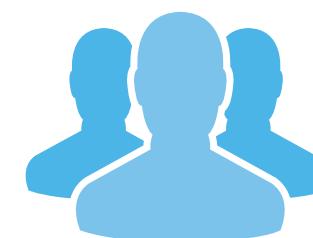

HERE is WHAT the PARTICIPANTS SAID about their EXPERIENCE...

I appreciated how the entire group participated in conversations and activities, not just one person talking. The conversations were productive and helped me learn how to apply what we learned.

"The group provided a **comfortable, judgment free zone** to learn how to decrease stress."

“ BEFORE THE GROUP STARTED, I DIDN'T EXPECT TO LIKE THE GROUP OR THINK THAT IT WOULD HELP ME. I WAS REALLY SURPRISED ABOUT HOW MUCH I ENDED UP ENJOYING THE GROUP. I STILL USE MANY OF THE MINDFULNESS PRACTICES WE LEARNED EVERY DAY.

► REUNITED, BRINGING SENIORS TOGETHER

In recent months, we were thrilled to welcome seniors back to in-person programming at **Café Europa** and **Kosher Café**.

CAFÉ EUROPA FOR HOLOCAUST SURVIVORS

Every month, JFCS hosts Café Europa for local Holocaust Survivors. These events bring together Survivors for socialization and to develop an important support network. The bonds between our Survivors grew even stronger during

the pandemic as they were forced to spend time together only through Zoom calls. This made our return to in-person café lunches even more enjoyable as reunions were embraced and welcomed by all who attended.

GRAB & GO >>> STAY & CHAT

The Kosher Café provides a hot lunch to low-income seniors 4 times a week, every week. In March 2020, the café shifted to a grab-and-go style for the health and safety of all. Over the months some guests took to setting up chairs outside of Adath Israel Congregation, where the café is held, so they could spend time socializing as they would when the program was held in person.

In the beginning of November 2022, we reopened the café to in-person guests. 25 guests enjoyed the return to the original café format and spent time catching up and enjoying each other's company. We are maintaining the grab-and-go option for those who prefer this opportunity.

► PROGRESS through PARTNERSHIP

In the coming year, JFCS will be partnering with United Way of Greater Mercer County through their Ride United: Last Mile Delivery program. Ride United launched in 2020 to address transportation needs by connecting home-bound and food-insecure individuals with free, safe delivery of food and supplies to their doorsteps.

JFCS will be utilizing the Ride United service to have food from our pantry delivered to homebound residents of Mercer County, including those undergoing medical treatment or being released from the hospital. Our agency will now be able to reach new clients who have been unable to access our pantry and are not affiliated with one of our mobile pantry partners.

JFCS *Women's* ALLIANCE

WOMEN MAKING AN IMPACT

The 4th JFCS Women's Alliance Member Event brought women back together for an in-person event after two years of gathering only via Zoom. The event featured a presentation by

author Jennifer Keishin Armstrong about the impact of powerful women on TV. This year saw 114 members raise over \$78,000 to support the JFCS mobile pantry.
