

WHY CHOOSE JFCS FOR GERIATRIC CARE?

JFCS is a social service agency, which means we combine professional skills with compassionate support across all programs. Our team of licensed social workers brings a combined 50 years of experience working with seniors. We help older adults achieve their optimal level of well being - whether aging at home or transitioning to another level of care.

GERIATRIC CARE SERVICES

GERIATRIC CONSULTATION

Includes compilation of:

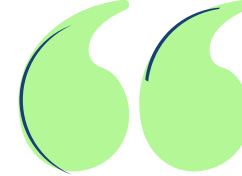

- Home safety documentation
- Activities of daily living (ADLs)
- Emergency contacts and social supports
- Medical conditions & history
- Medical providers
- Legal documents
- Community resources in use
- Cognitive & depression evaluations (if needed)

Following consultation, a written report will be provided along with referrals to community resources as recommended by care manager.

CARE MANAGEMENT SERVICES

- Participation in visits with medical providers:
 - Help preparing questions and clarifying treatment options
 - Advocating for client's concerns and choices
- Participation at discharge planning meetings in hospitals & rehab centers
- Consultation with children and/or family about health & housing
- Review of long-term care policies and guidance to open claims or file appeals
- Tour facilities or alternate housing options

Thank you for everything you have done for my mother, my sister, and me through the years. You are a special gift that made a tremendous difference in our lives. The past year was difficult, but I will be forever grateful for your help.
