

## WHO We Are

JFCS of Greater Mercer County, guided by our Jewish values and dedicated to improving the lives of all, serves our neighbors in need through comprehensive social services. We help strengthen the wellbeing of individuals, families and communities to build brighter futures. **Jewish Family & Children's Service (JFCS) offers comprehensive social services in Greater Mercer County for people of all ages and backgrounds.**

## WHY a Mobile Pantry

The JFCS Mobile Food Pantry launched in January 2020 and now brings the resources of our pantry on the road to locations across Mercer County. At partner locations, we park our fully-stocked truck and distribute groceries to those in need.

### TRANSPORTATION BARRIERS

Public transportation options are not convenient for existing food pantries.

### ACCESSIBILITY OBSTACLES

Limitations in physical mobility often prevent seniors from getting to supermarkets.

### FINANCIAL LIMITATIONS

10.6% of Mercer County residents are food insecure.
