

# Shop & Stock

## How it Works

- Meet our staff at ShopRite in Mercer Mall.
- We provide a list of most-needed items for our pantry.
- We provide the shopping parameters to structure a creative & engaging team activity!
- Your team starts shopping - with our staff available to answer any questions!

*We accept donations, group checks or reimbursement payment for the food purchased during activity.*

- Your team loads the food into the JFCS Mobile Food Pantry and leaves with a greater understanding about food insecurity, right here in our shared community.
